FOUNDRY RELATIONSHIPS in California

Berkeley Art Foundry, 1974 - 1981; Nordhammer Art Foundry, Oakland, 1981 - 1985;

Since 1986: Artworks Foundry, Berkeley, which is a full service foundry equipped to do monumental sculpture, either cast or fabricated from metal sheet.

I am a hands-on sculptor at the foundry, noted for my expertise in wax work and metal finishing. I have created, cast and finished over 125 different bronze sculptures since 1974. I have also created 54 sculptures in wood.

Public and larger scale sculptures include:

STORM LORD, weather spirit, in the rotunda of the Mountain View City Hall, CA

BUCEPHALUS, horse head from Mythic Sculpture Exhibit, Minnesota Museum of Art

WAYMAN DISC, landscape relief, 3 foot double-side disc on a plinth, Los Altos Hills, CA

HOMAGE TO THE CUBE, 4 foot high millennial celebration of the cube,

on loan to the Frost Museum, FIU, Miami FL; 2011 to 2019

EMERGENCE, THE FIRST PEOPLE, 52 inch high stelae inspired by Native American creation stories, created to honor the 400th anniversary of Santa Fe in 2010;

commissioned by New Concept Gallery and exhibited on Canyon Road
